Subject: OOOOa Template

Amy –

I have already submitted two reports using the old template – I just came aware that a new template is available – do I need to resubmit?

OOOOa Reporting

October 15, 2018 - EPA posts draft annual report template spreadsheet for reporting data required by the 2016 New Source Performance Standards as proposed to be amended on October 15, 2018 (83 FR 52056). EPA specifically requests comment on the proposed revisions to the draft template spreadsheet. Comments should be submitted at <https://www.regulations.gov/>, identified by Docket ID No.EPA-HQ-OAR-2017-0483 through December 17, 2018. The 2016 standards include several electronic reporting requirements using the agency's Compliance and Emissions Data Reporting Interface (CEDRI). CEDRI can now collect these reports electronically, although the final template for the annual report required by 40 CFR 60.5420a(b) is not yet available. Until the final template is available in CEDRI, facilities may submit the Annual Report through CEDRI, but also must submit the report to the appropriate address(es) listed in 60.4(a) and (b). Note, facilities are not required to electronically submit the Annual Report until 90 days after the final template has been made available in CEDRI; EPA plans to make the final template available upon promulgation of the amendments. EPA will update this page when final electronic reporting forms are available.
